MEDICINAL.

Time seems most untimely when he brings a woman to the turn of life. Life is at its ripest and best for her, and she approaches this change with a dread of its effect born of her knowledge of the sufferings of other women at this season.

There is not the slightest cause for fear or anxiety at this period if Dr. Pierce's Favorite Prescription is used. It gives health of body and cheerfulness of mind, and by its aid the pains and pangs of this critical period are prevented or cured.

Dr. Pierce's Favorite Prescription is a woman's medicine with a wonderful record of cures of womanly diseases. Diseases that all other medicines had failed to cure, have been perfectly and permanently cured by the use of "Favorite Prescription."

"I feel it my duty to write you as I have received so much benefit from the use of your medicine," says Mrs. Lizzie A. Bowman, of New Marmora, Washington Co., Ohio. "I have taken four bottles of Favorite Prescription for female weakness and change of life. Before I began taking it I could not do anything. I had such pains in my head and neck that I thought I would lose my mind. Now I can work every day. I recommend 'Favorite Prescription' to all females suffering in the period of change of life. It is the best medicine I have found."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

Keep the bowels healthy by the timely use of Dr. Pierce's Pleasant Pellets.

WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small part of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Dries out the inflammation.
- (5) Kills the germs (microbes) of disease.
- (6) Strengthens the mucous membranes.
- (7) Clears the head.
- (8) Relieves the feverish conditions.
- (9) Removes every cause of the cough and the strain on the lungs.
- (10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood.

Cures Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live, 'dead' woman. One Minute Cough Cure saved my life." MARY F. SULLIVAN, New York.

BLOCKADE RAISED.

Herbert W. Bowen, Venezuela's representative in the peace negotiations at Washington, last night signed with each of the allies' representatives in Washington a protocol providing for the immediate raising of the Venezuela blockade and for the reference of the question of preferential treatment of the claims of the allies against Venezuela to the Hague arbitration tribunal. The final formalities occurred at the British Embassy.

The British protocol was in English, the Italian in Italian and German, and the German in German and English. Mr. Bowen signed a duplicate for Venezuela, Sir Michael Herbert for Great Britain, Signor Mayor des Planches for Italy, and Baron Speer von Sternberg for Germany.

Immediately on the signing of the last protocol cables were dispatched to London, Berlin and Rome announcing the fact. It is expected that the commanders of the blockading fleet within the next twenty-four hours will receive their orders to withdraw their vessels at once.

By provisions of these preliminary protocols, which have required more than three weeks of constant negotiations, Venezuela makes two distinct gains, the immediate raising of a blockade from which she has been suffering for some weeks and the return of all her vessels, war and merchant, which have been captured by the allied fleet.

Great Britain, Germany and Italy receive advance payments of \$5,500 each, Great Britain receiving her payment on the signature of the protocol and Germany and Italy within thirty and sixty days from date. Germany, in addition, will receive five monthly installments until the full amount paid her in advance aggregating \$340,000. As a guaranty for the satisfaction of their claims, Mr. Bowen pledges the allies a share with the other creditor nations in 30 per cent of the customs receipts of the two ports of La Guayra and Puerto Cabello.

This percentage will be set aside, beginning March 1, and retained in the Venezuelan treasury until the Hague tribunal shall decide whether it shall be distributed without preference among all the claimant nations, or whether the allied powers of Great Britain, Germany and Italy shall receive preferential payments.

Italy, by her protocol, gains immediate payment of her first class of claims, without further adjudication, as soon as the joint commission at Caracas shall have passed on the remainder of her claims. In round numbers the adjudicated Italian claims amount to \$500,000, from which will be subtracted the \$27,500 to be paid her sixty days from the signature of her first protocol. The Italian Ambassador also has secured for his government the insertion in his protocol of an agreement that Venezuela will insert in her treaty with Italy the favored nation clause possessed by the United States.

Great Britain has left her protocol unchanged since it was approved by the London foreign office some days ago.

The British protocol consists of nine articles, and the others are practically of the same length. All provide for the renewal of existing treaties of amity and commerce with Venezuela.

The customs receipts to be set aside for the powers pending the decision of the Hague are to be deposited in bank at Caracas.

It is stipulated by the protocols that the claims of the creditor nations shall be adjudicated by joint commissions to consist in each instance of a Venezuelan, a representative of the claimant power, and in case of a disagreement, an umpire to be named by the President of the United States.

The protocols in providing for reference of the question of preferential treatment to the Hague do not state in detail the methods of procedure by which the case is to be laid before the tribunal. This will be done in a second set of protocols, the preparation of which will begin at once. It is provided, however, that Venezuela alone, but all the other creditor nations shall be permitted to appear with her before the tribunal in opposition to the allies for preferential payment.

Upon the signing of the protocols last night congratulations were exchanged by the four negotiators. Mr. Bowen then dispatched a brief cablegram to President Castro informing him of the signature of the protocols providing for the immediate raising of the blockade.

WANTED IN VIRGINIA.—Maj. Sylvester, of Washington, recently received a communication from the prosecuting attorney of Charlottesville, requesting him to have a search made for Samuel H. Walker, a negro, who, it is said, perpetrated a fraud on some citizens of Charlottesville by representing himself to be his father, Joseph Walker, and in that capacity selling and executing a deed for a piece of property in that city of which the father was the owner. Walker is said to have realized \$100 by
